#### **Polar Bears “Winter Bowling**

Southbourne had an excellent start to the winter bowling on their all weather green when 32 “Polar Bears” from various local clubs arrived to bowl. All agreed it was an excellent way to spend a Monday morning. If any other bowlers wish to have a go all they need do is turn up before 10am on Monday or Friday mornings and pay £2.50 for 2 hours of bowling plus a free cup of tea or coffee.

##### **Southbourne 39 Donnington 53**

Southbourne started their Short Mat bowling season with a friendly home match against Donnington. Both teams found it difficult to get used to the “fast” Southbourne mats, but nevertheless an excellent afternoon of bowling was had by all, with an exciting finish on the mat skipped by Bill Coates when it was all square after 20 ends and either side could have won on the final end right up to the last wood bowled. The match was followed by a generous tea provided by the Southbourne bowlers.
