

## **Southbourne Bowls Club – PRO report**

### **Bowls result for week ending 19 April 2015**

#### **Southbourne versus Polar Bears (Winter Bowlers)**

For their opening match of the summer season Southbourne Bowlers played an enjoyable friendly against the Winter Bowlers (Polar Bears), who during the winter come from several local bowls clubs to use Southbourne's all-weather green. This year Southbourne managed to win on overall shots with each team winning on three rinks.

We all look forward to a good summer season before Polar Bears (Winter Bowling) starts again on Monday 21 September 2015.
