Southbourne 75 Worthing Pavilion 78

Southbourne had a very close home match against Worthing Pavilion in the Littlehampton Gazette League, which was a welcome change after two recent poor away results. Both teams had wins on two rinks and Worthing Pavilion only just managed to pip Southbourne for the overall shots on the very last end. Of particular note on the rink skipped by Robin Armstrong was a rare "Hot Shot" when Southbourne took all eight shots on one end.
