All Club Contacts

The County Management Committee met last night to discuss what will happen with next season's League 2020/2021.

The Meeting agreed until such time the government lift restrictions on COVID-19, and with the guidance of ESMBA we are unable to make any decisions on three possible scenarios:

1. Start a new League 2020/21 in September *(highly unlikely).*
2. Complete season 2019/20 in January/February 2021.
3. No competitive bowls in 2020/21 season.

Congratulations to The Martlets they will receive a certificate in recognition of winning their league 2019/2020 outright.
Their achievement will also be registered on the Honours Board.
In the event of the league season 2019/2020 being completed (as in the above scenario 2). The Martlets achievement will be upgraded to a Trophy along with all other winners.

We will endeavour to keep our membership up to date with the latest developments ... stay safe!

Kind Regards

Roger Hawke
County & Membership Secretary
West Sussex County Short Mat Bowls Association
